Your Procedure: _____ is scheduled at **Concord**

Hospital Day Surgery Center on _____. Your arrival time will be

determined by Concord Hospital on your telephone interview or at your preoperative testing appointment.

Your preoperative telephone interview is: _____ at: _____

OR

Your preoperative testing appointment is: _____ at: _____

Please report to preoperative testing at Concord Hospital Day Surgery for this appointment.

****It is important that you complete your preoperative testing appointment or phone interview as scheduled or your procedure may be cancelled.**

Please use the **Hospital Main Entrance** and ask for directions to **Day Surgery**.

Your procedure is being performed under anesthesia. You must follow the specific fasting instructions given to you at the time of your preoperative appointment or phone interview.

You must have someone to drive you home after the procedure. Sedation will be given for the exam and this may affect you for several hours. You will not be allowed to drive for 24 hours following the procedure. A taxi can only be used if you are accompanied by a friend or family member. When you return home it is advisable for someone to stay with you until effects of the sedation have worn off.

NO WORK UNTIL THE FOLLOWING DAY.

****If you need to reschedule your appointment, please call us at least 2 weeks in advance so we may accommodate other patients waiting to be seen****

Patients Responsibility Prior to Procedure

Patient Name: _____

Procedure: _____

Date & Time of Procedure: _____

Place of Procedure: _____

We require that you contact your insurance company to verify that you are covered for the procedure above. On the back of your insurance card should be numbers for you to use to contact your insurance company, please call them to ensure that you are covered and are aware of any out-of-pocket expenses that you may owe.

In addition to your physician bill and the hospital or facility bill, you may receive separate bills from pathology, radiology, laboratory, and anesthesia depending on the procedure.

If you have any questions regarding the insurance coverage of your procedure GI Associates is happy to assist you. *Please call 603-228-1763 and ask to speak to a billing specialist.* GI Associates will work directly with you and your insurance company to ensure that everyone is aware of the possible out-of-pocket costs.

If you do not have health insurance and need Financial Aid or you need to set up a payment plan please call the following numbers depending on your place of procedure.

- Concord Endoscopy Center or Concord Gastroenterology, PA – 603-228-1763 (payment plans)
- Concord Hospital - 603-225-2711 ask for Patient Accounts (financial aid)
- Dartmouth-Hitchcock – 603-229-5080 (financial aid)
- Monadnock Community Hospital – 603-924-4699 ext 4281 (Financial Aid or a Payment Plan)

Be sure to ask your insurance company the following questions:

- What are my policy benefits for this procedure?
- What is my deductible and co-insurance?
- What portion of the charges will I be responsible for?
- (if your procedure is a colonoscopy) What is the difference between a screening and diagnostic colonoscopy and how does that effect how my insurance covers costs?
- Which lab facilities am I allowed to have specimens sent to?

If your insurance company requests diagnostic codes or procedure codes GI Associates can never be sure which code will apply until the physicians makes the determination during the procedure. Please ask your insurance to review all scenarios of coverage.
